The board of education, in its commitment to provide a positive and productive learning and working environment for its students and staff in accordance with state law, prohibits bullying in any form by any student, staff member, or parent towards a student or a staff member, including electronic means, on or while using school property, in a school vehicle or at a school-sponsored activity or event. For the purposes of this policy, the term "bullying" shall have the meaning ascribed to it in Kansas law.

The administration shall propose, and the board shall review and approve a plan to address bullying as prohibited herein. The plan shall include provisions for the training and education of staff members and students and shall include appropriate community involvement as approved by the board.

Students and staff members who bully others in violation of this policy may be subject to disciplinary action, up to and including suspension and/or expulsion of students and suspension and/or termination of employees. If appropriate, students and staff members who violate the bullying prohibition shall be reported to local law enforcement.

Parents participating in prohibited bullying conduct aimed at district students and/or staff members may jeopardize their access to district facilities; district property; school sponsored activities, programs, and events; and/or district students and/or staff members through the district's communication systems. As appropriate, reports to local law enforcement will be filed to report criminal bullying behaviors.

This policy and the district bullying plan may be posted on the district's website, and copies of such documents shall be made available to parents/guardian of current students upon request.
