

February Food Service Update

February update

During the month of February we had Chef Joe visit THS and TMS. He introduced the new Asian rice bowl, and it was a hit. The student feedback was great, as we had a lot of positive feedback.

We also finalized basketball concessions and started to focus on the concessions and the set up at the Baseball fields. We have ordered a deep freeze, 2 reach in coolers, and other items needed to complete the set up. Scott came down to check our internet connections to make sure we are good to go for our first game.

Valentines day ice cream was a hit! I received feedback from my kitchen managers and a couple of elementary students on how GREAT Dr. Dandoy is, for giving everyone ice cream.

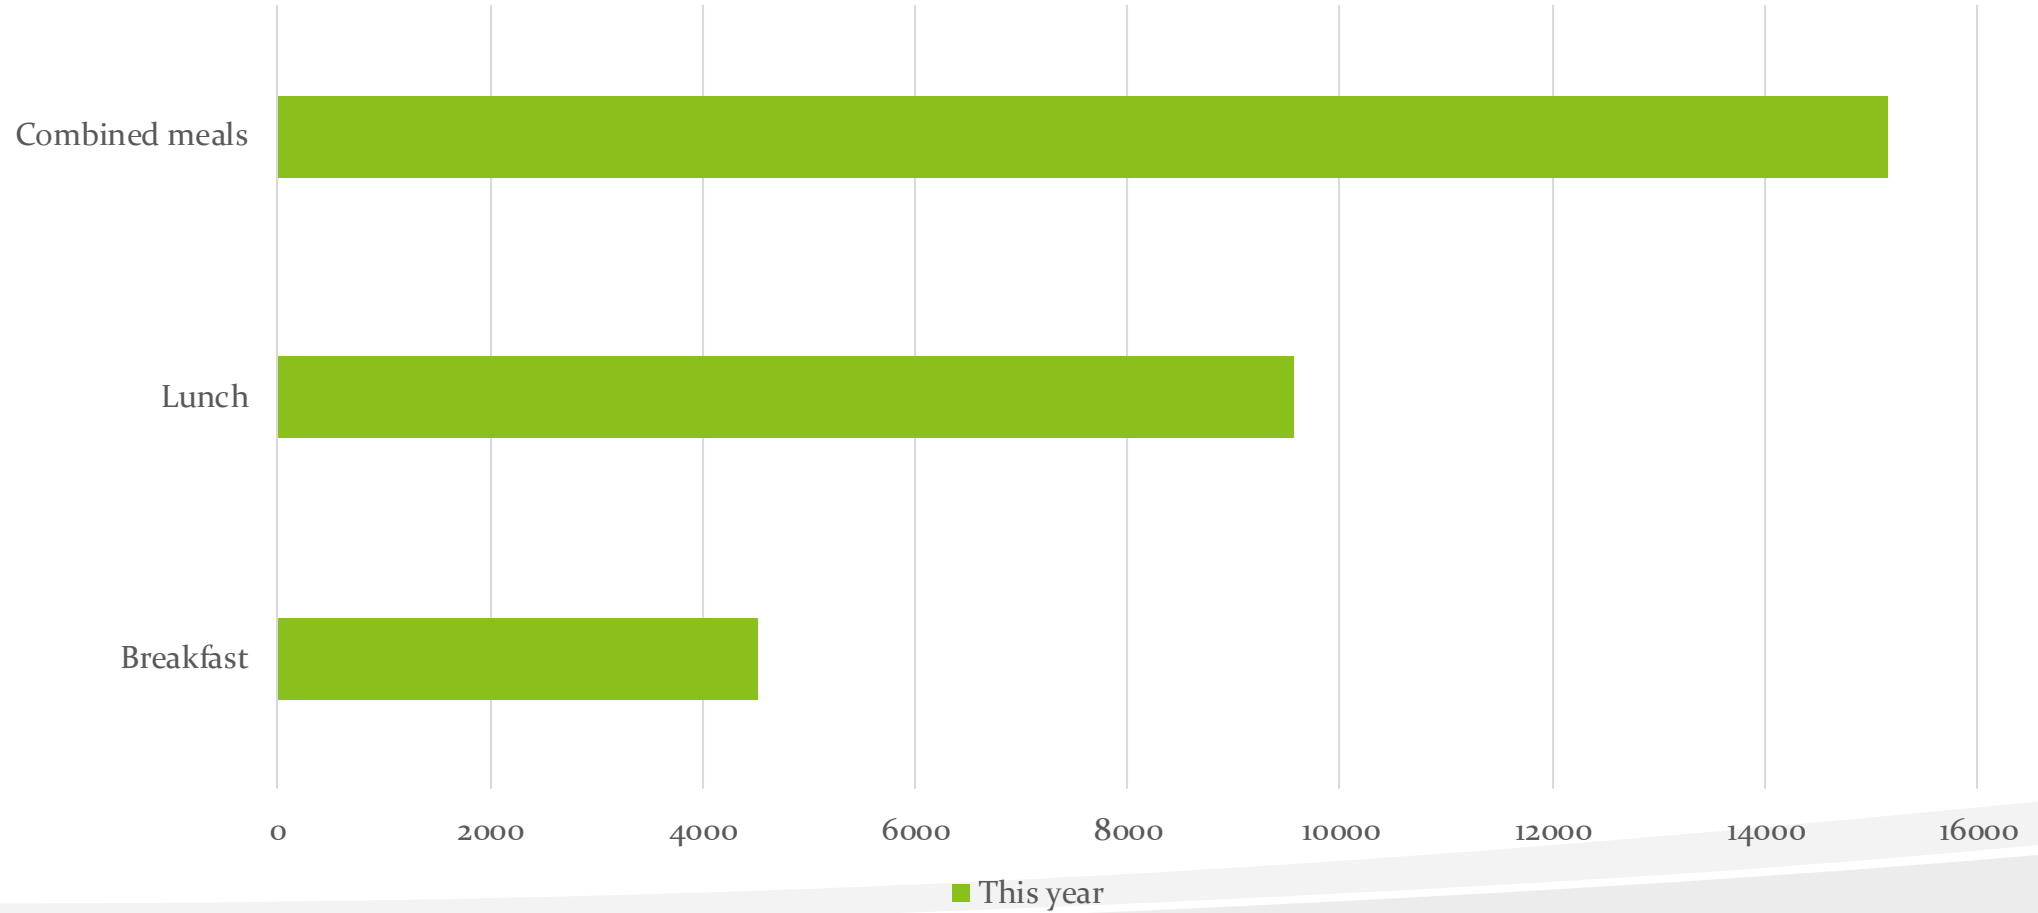

Krista Taylor, our kitchen manager at JSOC was nominated by Principal Dr. Lizar for the PRIDE award and won. She was super excited, as were we.

We also started our communication for summer school and sent out letters to staff to see who wants to work the summer. We will pick our summer school team next month, once everyone has turned in their intent to work letter.

Next month we look forward to National School Breakfast week, as well as getting our kitchens ready for Spring Break.

KITCHEN MANAGER SPOTLIGHT:
Kristina Marron

66 Kristina is our kitchen manager at Turner Sixth Grade Academy, and in just her second year in the role, she is absolutely rocking it! Over the past year, she has shown tremendous growth, becoming more confident, student- and staff-focused, and an invaluable asset to our team. Kristina, thank you for all you do for the students and staff at Turner—we're so grateful to have you as part of our team!"
